RE: Thank You!

Good Morning Mr. Abrams, Board of Directors and the entire SFMI Team,

I am reaching out to you to say Thank you for putting together yet another great Manager's Academy. This year, I was able to partake in the Personnel Track, which all but seemed to be tailored specifically to my current questions and issues. The topics covered by your distinguished panel were engaging, interactive and on-point with difficult decisions and conversations that we have within our Districts on a regular basis. This track was incredibly helpful and insightful. The session length(s) were perfect length with ample breaks; the 2 days flew by.

Thank you for the venue location, lunches, snacks and incredible dinner. Your entire team did an incredible job putting this Academy together, and I am humbly thankful that I had the opportunity to attend. Your Team are exemplary examples, mentors and guides to new and growing DOF's such as myself. I truly appreciate the guidance, support and opportunities that your Team and NYSSFA offer. I will continue to learn and grow, be the best Director of Facilities that I can possibly be, uphold the pledge we take as DOF's, and honorably represent my position as a member of NYSSFA, the Niagara Chapter and as a Director of Facilities of Holland CSD. Please accept my sincere gratitude for the opportunities and tools you have provided to all of us. The knowledge and growth that you provide and nurture will be passed along to others through my example as a Director of Facilities. Thank you again for all that you do.

Humbly and Respectfully,

Scott A. Christ
